KODAKS.

You are told that "there is no
Kodak but the Eastman Kodak."
We handle only Eastman Kodaks.
Their goods are a guarantee of
quality. We have them from \$5
to \$35, and whether you buy the
lowest priced instrument or the
highest, they will be found just as
represented. Kodaks make the
best of Holiday Presents, accept-
able to either sex.

FILMS.

Eastman Films are good Films.
That is the reason we handle them
exclusively. You will always find
our Films fresh, and fresh Films
insure the best work.

Developing and Printing.

Many amateurs enjoy the work
of developing and printing. There
are others who have not the time
or inclination to do the work them-
selves. We make a specialty of
this branch of the Kodak business.
Our customers are kind enough to
say we turn out better work than
they get elsewhere. We take
pride in this department of our
business. Every Film developed
carefully. If our photographer
finds you are making mistakes he
will correct you. That's a very im-
portant advantage. Let us show
you what we can do.
